 **ABOUT DR. MAURICIO MADRIGAL**

---

Dr. Madrigal has helped many patients who have experienced that type of tooth ache that makes one pray for relief.

His delicate touch and calm, soothing demeanor put his patients at ease. He operates with the finest endodontic microscope in the nation, ensuring that his patients receive a thorough, virtually pain-free root canal procedure. Dr. Mauricio also assists with many prosthodontic functions and is a tremendous team-player. Patients love his easy-going personality and his ability to make everyone feel welcome.
